God calls Moses from the midst of a bush that burns with our being consumed: 'I am the God of your father, the God of Abraham, and God of Isaac, and the God of Jacob'. God is the One who had called and guided the Patriarchs in their wanderings. He is the faithful and compassionate God who remembers them and His promises; He comes to free their descendants from slavery. He is the God who will put his almighty power to work for this plan.
